This is to certify that the Electrical Appliances detailed on the attached record sheets have been tested for electrical safety in accordance with the The Institute of Engineering and Technology Code of Practice for In Service Inspection and Testing of Electrical Equipment. This does not guarantee the future safety of the appliance nor does it guarantee the correct operation for any length of time. The user of the appliance should pay particular attention to any fault or defect that may occur during future use and if there is any doubt as to the safety or correct operation, the appliance should be removed from service for further inspection by a competent person.

Any appliance failing the test has been labelled "FAILED" and has been listed on the failure log together with reasons for failure.

THE FAILED APPLIANCES SHOULD BE REMOVED FROM SERVICE UNTIL THE DEFECT HAS BEEN RECTIFIED
